SCOTT T. MCCUE
SUPERINTENDENT OF SCHOOLS

November 24, 2026

Dear Eatontown Public Schools Community Member:

It is extremely hard to believe we are beginning the Holiday Season. The holidays create a special feeling and ambiance for our school community. We hope to see you at some of the special events we have planned during this festive time of year.

Unfortunately, the Holiday Season also brings stress and a change in routines for children and adults alike. We understand the intersection of joy and anxiety during this time. If you or your family have a problem that is school-related, please follow the chain of command listed below:

1. Teacher/Educational Professional
2. Principal/Supervisor
3. Superintendent

Direct contact with our schools provides the best way to solve a problem. Posts on social media will not be addressed by our educational professionals. However, if you call, email, or visit our schools, we will address your concern in a timely manner.

Last but not least, we all want our students to be safe. Please continue to monitor your child's use of technology, social media, and/or gaming services. Remind your child not to share personal information when engaging in these platforms. Some individuals on these platforms are not child friendly.

Please visit our website at www.eatontown.org for information about our schools.

I wish you a peaceful and joyous Holiday Season. Thank you for your continued support of our schools. It is appreciated.

Sincerely,

Scott T. McCue
Superintendent of Schools
