Please remember to let me know how our programs are doing by sending me summaries, photos, and details so I can share them with our staff and the DO for highlights.

Administrators need to hear from more of you to wrap up observations during January and February. If you have any questions about submitting your growth data, filling out your mid-year IPLP updates, or submitting your self-evaluation by the end of this month, please ask.

Lots of home activities this week - come on out and support our programs.

Let's have an amazing week!

Sincerely,

***Nancy Jones***
