College, Career, and Military Readiness

Understanding College, Career, and Military Readiness (CCMR)

- **What is CCMR?** It's how Texas measures if our students are ready for what comes after high school. It's not just about college; it's about being prepared for any path: a university, a career, or military service.

Our Goal: Ensuring Every Student is Ready

- We use a variety of tools and programs to help students succeed, from rigorous coursework to career-focused certifications.
- We believe every student has the potential for success, and our mission is to ensure they have the skills and knowledge to conquer their future.

A copy of the senior interview form was given to each student. Please ask your child to review their copy with you.

Volunteer Service Hours

- Students are required to complete 20 hours of community service hours for every year they are in YISD high schools in order to participate in the graduation ceremony. **(80 total)**
- It is the student's responsibility to get the blue form, get it signed and turned in to Mrs. Herrera in the counselor's office.

Attendance and LOC

- **STATE LAW** requires that students **MUST** be in attendance at least 90% to earn credit for their classes.
- **Students cannot reach their full potential if they are not present in the classroom for instruction.**
- Excessive absences, tardies, or early outs will result in a **court referral**.
- Warning will be issued after 3 unexcused absences and an attendance contract will be started by the administrator, parent, and student.
- **Loss of credit** due to absences occurs when a student exceeds the allowable number of unexcused absences, typically 10% of class days, which can result in the student being denied credit for a course, even if they have passing grades.
- Please call attendance at 915-434-3010 when your child will be absent.

Truancy and Prevention Measures

- TEC § 25.095: If a student has unexcused absences on three days or parts of days within a four-week period, or 10 days in a 6-month period, the student is subject to truancy prevention measures.
- Truancy Prevention Measures:
 - Parent and Student Meeting
 - Impose a behavior improvement plan (45-day Plan)
 - Impose disciplinary action
 - Regular meetings/house visits with Truant Officer
 - Refer student to truancy court

IGC Process

- **What is the IGC Process?**

- The Individual Graduation Committee (IGC) process is a pathway that allows students who have not passed **one or two required STAAR end-of-course (EOC) exams** to graduate if they meet certain additional requirements.

- **Eligibility for IGC:**

- Student must have passed all required coursework for graduation.
- Student may have failed one or two STAAR EOC exams (Algebra I, English I, English II, Biology, or U.S. History).
- Student must not have failed more than two STAAR EOC exams.

- **Important Things to Remember:**

- Only available for **seniors**.
- This process is only for students who have failed 1-2 STAAR exams—more than two failures will disqualify the student from the IGC process.
- The decision is based on the student's overall academic performance, not just test scores.
- This pathway provides an alternative to passing STAAR exams, but students must still show mastery of the subject content.
