[Link to MCHS Testing Matrix](#)

Financial Aid Counselors will be on campus Oct 14-17 to help families complete the FAFSA. Email Mrs. Boone for an appointment. More information about what the FAFSA is and who should complete it can be found on her blog.

Reminder about absences and grades...
When students are absent, teachers will be placing a zero in the gradebook for assignments/tests until the work is completed. This is so students and parents know the make-up work that is due or how incomplete work effects students' grades.

ATTENTION JUNIORS & SENIORS!

The ASVAB is offered to high school and post-secondary students as part of the ASVAB Career Exploration Program.

The program provides tools to help students learn more about career exploration and planning, in both the civilian and military worlds of work. Sign-ups are located outside the school counselors' offices and the main office. See Ms. Jackson in 1603 if you have any questions.
