April 7, 2026

Dear Parents and Guardians:

This morning, Toll Gate High School, Winman Middle School, and the Warwick Area Career and Technical Center were placed in a shelter in place status. A shelter in place means that all students, faculty, and staff remain indoors while normal school activities continue within the classroom. This precautionary safety measure is used when an incident occurs in close proximity to a school campus.

Warwick Public Schools has been in communication with the Warwick Police Department and will continue to do so until the situation at the CCRI campus is resolved.

Sincerely,

A handwritten signature in blue ink that reads "Will D. McCaffrey".

William D. McCaffrey  
Superintendent of Schools

69 Draper Avenue, Warwick, Rhode Island 02889
