October 2, 2026

Dear Parents/Guardians,

Goreville CUSD No. 1 would like to inform you that Goreville High School Principal Brandilyn Klope has resigned from her position for personal reasons. We thank Ms. Klope for her 14 years of dedicated service to Goreville CUSD No. 1.

Effective immediately, Superintendent Dr. Jonathan Green and Mrs. Jeri Miller will share the principal duties at Goreville High School. Our goal is to ensure a seamless transition and maintain continuity for our students, staff, and families. We are confident that the school will continue to provide the support and educational opportunities our students deserve during this transition.

Thank you for your continued support of Goreville CUSD No. 1.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Cloud".
