5855 - STUDENT ATTENDANCE AT SCHOOL EVENTS

The Board of Education encourages students to attend as many school events held after school as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build school spirit and encourage those students who are participating in the event.

To ensure that students attending as nonparticipants are properly safe-guarded, the Board recommends that all elementary and pre- high school students be accompanied by a parent or adult chaperone when they arrive at the event and throughout its duration. The Board and its agents will not be responsible for students if they attend without an adult chaperone.

The Board will continue to provide adequate supervision for all students who are participants in County-sponsored events.
