AGRISCIENCE FAIR

MARCH 4TH, 2026 @ DISTRICT 2

PROFICIENCY NIGHT - JJC

Have students completing agriscience fair projects? Have them compete at this year's District 2 Agriscience Fair! The Agriscience Fair is open to 7th-12th grade FFA members. Students can compete individually or in pairs. While this does not serve as a qualifier for state, it's a great opportunity for your students to gain early experience in sharing their research and compete against others with projects in the District.

Divisions

Division 1 — individual member in grades 7 and 8

Division 2 — team of two members in grades 7 and 8

Division 3 — individual member in grades 9 and 10

Division 4 — team of two members in grades 9 and 10

Division 5 — individual member in grades 11 and 12

Division 6 — team of two members in grades 11 and 12

What's needed?

Completed Agriscience Fair Report

Participate in in-person interview

For categories, report templates, and other agriscience fair resources, go [here](#).
