Dear Principal,

The Maryland Department of Transportation (MDOT) Maryland Transit Administration (MTA) is looking forward to another great school year, working closely with you to provide safe, efficient, and reliable supplemental service to accommodate your students' transportation needs.

Baltimore Polytechnic Institute High School is in supplemental service district S7, so your students will reference the S7 brochure for Medfield. Students will look for route numbers for the LocalLink 22, LocalLink 28, LocalLink 30, LocalLink 33, LocalLink 38, LocalLink 54, LocalLink 94, and CityLink Silver with the destination sign on the front/side of the bus displaying "Medfield" when traveling to school.
