Parent/Teacher Conferences provide an excellent opportunity for parents and teachers to meet together to discuss a child's educational as well as social-emotional progress; data, goals and questions will be discussed.

This year, Parent/Teacher Conferences will include students. Students will be able to explain their progress at the conferences. If you need special accommodations for in-person conferences, please contact your child's principal. Parents will have the option to choose in-person, virtual, phone, or email conferences. Your child's principal will be sending a letter via email very shortly explaining the scheduling process. Please look for this email. Parent/Teacher Conferences will be scheduled through the Genesis Parent Portal. You will need to log into the portal to schedule your conference. The link to access the Genesis Parent Portal can be found on the district website by visiting www.eatontown.org.

Please stay well. Thank you for your support and cooperation.

Sincerely,

Scott T. McCue
