September 2026

Dear Parent(s) / Guardian(s) and Students:

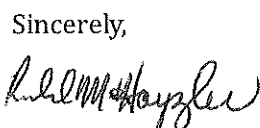

It is our sincere pleasure to invite you and your child to attend Pequannock Township High School's orientation program, *Four Years and Beyond*, on the evening of **October 22nd**, starting at 7:00 pm. The evening is designed for you and your child to learn about what Pequannock Township High School can offer as you begin the next phase of your academic career. The evening will highlight our academic programs, athletic teams, extracurricular activities and our updated facilities. The PTHS Family is excited to share our Panther Pride and enthusiasm for Pequannock Township High School with you.

Our teachers provide their students with interactive, engaging opportunities to learn. Members of the Class of 2026 were accepted to many prestigious colleges and universities. A list of those colleges and universities will be available that evening. The athletic teams at PTHS are competitive at all levels and have had strong showings at the county and state levels. Our award-winning Marching Band competes at the state and national level and our Future Business Leaders of America is one of the most recognized groups in the country. Our extra-curricular programs offer a variety of opportunities for students to pursue their interests outside of the classroom. You will have an opportunity to hear from all of our coaches, athletes and extra-curricular organizations throughout the night.

Pequannock Township High School is pleased to offer Academy Programs in Allied Health, STEM and Aviation for students who attend Pequannock Township High School. Our Allied Health program has been recognized as a "groundbreaking program" by Jersey's Best Magazine. Our STEM and Aviation (ASCEND) programs continue to expand, providing students with various opportunities for hands-on, interactive learning. Information on all of our academies, as well as the application process, will also be available at the orientation program.

Administration, faculty and students of Pequannock Township High School look forward to meeting you throughout the evening. The program will begin promptly at 7:00 pm in the PTHS auditorium and will conclude at approximately 9:00 pm. Welcome to Pequannock Township High School! Let's Go Panthers!

Sincerely,

Richard M. Hayzler
Principal
