

March 13, 2023

Dear Box Elder School District Families,

We thank you and your family for being our valued partners as we work together to educate the children in our district. Box Elder School District values input from our community – and we need to hear from your child or children! Students are important partners as we work to improve our communication, academic program, and overall experience for everyone.

In order to learn more about student experiences at school, we will be asking for your child's feedback via an online survey that will be completed at school. The survey shouldn't take more than 15-20 minutes to complete.

We are asking that all of our students in grades 3-12 participate in the surveys, as their feedback will provide invaluable insights into their experiences and how we can improve and adapt our schools to their needs. If a student doesn't feel like they have enough information to answer a question, they can skip the item altogether. The responses to these surveys will be completely confidential. We are partnering with a third-party vendor, Panorama, to support us in administering these surveys.

The survey content will ask students to self-reflect on topics such as school climate, safety, learning environments, and school engagement. Please [click here](#) to see the survey user guide, including survey questions.

Please notify us if you would like your child to opt out of taking the student survey by filling out [this form](#) by March 20, 2023. If you have already filled out an opt out form, you do not need to fill out another form. The survey will be given March 21-April 14, 2023. We thank you in advance for your child's participation. If you have any questions about the survey administration, please don't hesitate to contact your school.

Sincerely,

Box Elder School District
