When picking up food for your family: We do not require I.D. or paperwork, but you will be asked to provide information to register your household.

When picking up food for someone else: You must bring along a Proxy Form completed by the person you are getting the food for and has been signed by you as the TEFAP Proxy. You will be asked to present a valid I.D. for yourself. This form and your valid I.D. must be presented each time you pick up food for someone else.
