A note from our co-presidents:

Whew, October was a busy one - we had so many amazing events. We raised funds for the school, engaged with our wonderful community, and had a blast! November has a bit less on the books, given the week of Thanksgiving break.

What makes our school community so great is YOUR involvement - we truly cannot do ANY of this without your time, support, and help. We hope to see you volunteering at the Book Fair, attending the CSC meeting, or at Zane's for November's dineout!

BEYOND THE CLASSROOM

What does the PTO help fund? Among many other things, field trips! Ms. Peleg's 4th grade class loved their SPREE field trip - learning about gold panning and the South Platte River. "It was great that we got to go on a field trip because we got to learn fun things about the past." - Mia

BOOK FAIR!

The Scholastic Book Fair is back, from November 9-13 in the library! Sign up to volunteer and see your student's class book fair time here. The fair will be open to all Weds 11/11 3-7pm and during conferences 8am-3pm on Fri 11/13!
