

COMMUNITY OF THE WHOLE ALL ARE WELCOME!

Before the next regularly scheduled Board of Education meeting, we invite you to take part in a new Community of the Whole session. These meetings are designed to create a more open, conversational space for parents, staff, and community members to connect directly with our Board.

Unlike a traditional board meeting, this format does not include formal procedures or action items. Instead, it offers:

- A chance to hear directly from community partners about resources and opportunities that impact Oxford families.
- An opportunity to share your thoughts, ideas, and questions in a collaborative setting.
- A more relaxed environment for authentic two-way dialogue with the Board.
